DPC
DIALYSIS PATIENT CITIZENS

DPC EDUCATION CENTER

Who We Are

Dialysis Patient Citizens (DPC) is a patient-led organization advocating for people living with kidney disease & dialysis.

The DPC Education Center provides patients, families, & caregivers with trusted education & resources to better understand kidney disease, treatment options, & self-advocacy. Together, they empower patients to be informed, engaged partners in their care.

Get Involved

Discover more about DPC, connect with fellow patients, & find ways to make your voice heard in the kidney community.
