

What the COVID-19 Means for Kidney Patients

Presented by Alan Kliger, MD, with the American Society of Nephrology (ASN) and Shannon Novosad, MD with the Centers for Disease Control and Prevention (CDC)

Please join the DPC Education Center to learn about COVID-19 and what you and your family can do to protect yourselves. You will also learn about the CDC's guidance for dialysis facilities and how your facility staff is working to prevent the spread of infection.

Date: Friday, March 13, 2020

Time: 3:00 pm ET, 2:00 pm CT, 1:00 pm MT, 12:00 pm PT
