

The COVID-19 Explosion Lessons from New York

What Kidney Patients Should Know

Presented by:

- Alan Kliger, MD, Professor of Medicine, Yale School of Medicine
- Michele Mokrzycki, MD, Professor of Medicine, Albert Einstein College of Medicine
- Deep Sharma, MD, Assistant Professor of Medicine, Albert Einstein College of Medicine

During this webinar you will learn the latest on:

- What kidney patients need to do (dialysis & transplant)
- What dialysis facilities are doing
- What we can learn from New York's COVID-19 experience

You will have the opportunity to type questions in the chat box during the webinar.

Date: Tuesday, April 7, 2020

Time: 4:00 pm ET, 3:00 pm CT, 2:00 pm MT, 1:00 pm PT
