

The Empowered Patient: Taking Steps to Manage Diabetes and Chronic Kidney Disease

Presented by Stacy Ogbeide, PsyD, MS, ABPP

During this webinar, you will learn:

- Define the Patient Empowerment Model for Diabetes;
- Define self-compassion; and
- Understand how a values-based life can improve the management of Diabetes and CK

About the Presenter:

Stacy Ogbeide, PsyD, MS, ABPP

is a Board-Certified Clinical Health Psychologist and a Board-Certified Specialist in Obesity and Weight Management. She is the Director of Behavioral Health Education in the Family Medicine Residency and an Associate Professor with the Department of Family & Community Medicine with UT Health San Antonio. She also has a cross appointment in the Department of Psychiatry and Behavioral Sciences and serves as the Primary Care Track Coordinator for the Psychology Internship Program.
